Dear Ed:

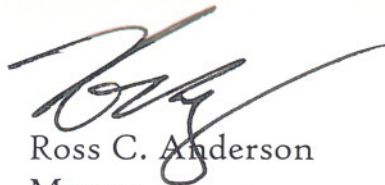

It was good seeing you recently and getting a better feel for what the Italian Center will be. That so many will contribute their time and other resources to the Center is a great sign of what is to come. (The web site looks good, too!)

As you know, I was very pleased with the success of Ferragosto. You did a remarkable job, especially for the first year. I hope it can be expanded. I will support your efforts in any way possible. Please let me know how we can help.

Also, I am seeking to renovate Pioneer Park, bocce ball courts and all. I would like to get together with you and others who have any interest to show you some of the ideas for the Park and to obtain your input. If you would like to get some folks together to discuss this, please call Christy (535-7704) to schedule a meeting.

Thanks for all you do!

Best regards,

Ross C. Anderson
Mayor
